County council say budget cuts will mean fewer grass cuts

MANY of Dorchester's roadside verges are seriously overgrown as reduc-

tions to the cutting programme begin to bite. But while motorists

struggle to see road signs the county council says the over-grown verges are good for wildlife.

The situation has been made worse by weeks of unseasonal rain and perfect growing conditions for grass and weeds in the months when growth is normally slower.

But this week you would be hard pressed to work out which town you were being welcomed to on approaches to the county town and would have found it impossible to read road closure signs for Dorchester Carnival.

by Trevor Bevin

On roads drivers are struggling to see safely out of junctions and visibility at some roundabouts has been severely reduced.

The grass, and weeds, have been measured by *View from Dorchester*, at well over three foot in places.

For many areas the frequency of grass-cutting has been reduced from a six weekly cycle, to eight weeks, as the county council struggles to save

money.

That should mean grass beside roads in Dorset towns being cut six times between April and October while rural areas, including dual carriageways, will only be cut twice between April and October. Some additional cutting is carried out by town and parish councils, housing associations and those who sponsor roundabouts and other areas.

Some areas are deliberately not cut until after June on the advice of Dorset Wildlife Trust who have identified areas where plant life would benefit from fewer cuts.

In a statement issued in response to a *View from Dorchester* inquiry the county council admit that many roadside verges are more overgrown this year,

SPORTS fanatic Ben Dobson, from Honiton, has set up his own personal training business, BD Training.

At just 22-years-old, Ben has a wide range of sports-related qualifications, varying from being a black belt in taekwondo to a badminton coach, plus a degree in sports coaching and development from Newport University in Wales.

He formerly attended the Woodroffe School in Lyme Regis.

■ **WHY did you decide to become a personal trainer?**

I became a personal trainer to help people and make them feel good about themselves. I'm really good with people, which I like to emphasise.

■ **WHAT services do you offer?**

I work with people with a wide range of ages and varied skill levels. I also have a wide range of qualifications, I'm a black belt in taekwondo, I coach badminton, I'm a weight trainer. I can offer weight loss programmes, toning, nutrition and general well-being.

For example, one client had not done any exercise in her life. She was 23 and a size 16 and within nine weeks with me she dropped to a size 12 through exercise and an eating plan.

I have cheap rates because I'm just starting out and I offer a free consultation with no obligation to come back. The hardest part is putting on the trainers.

■ **WHAT sports do you enjoy?**

Everything really! Rugby, rock climbing, surfing, basketball – just so many.

■ **WILL you be watching the Olympics and which events are you looking forward to?**

Yes, I'll definitely be watching them. I'm a sprinter myself so I'm looking forward to the 100 metre sprint and the relays. I love the aspect of having the Olympics in the UK this year.

■ **WHAT are your other personal interests?**

Just any sport really, health and fitness. I'm also looking to set up classes during winter in East Devon and in Lyme Regis.

60 SECOND INTERVIEW

■ **WHAT do you like about living in East Devon?**

The space – you can go wherever you want, whenever you want. The availability of resources is also quite varied. I'm a country boy really.

■ **WHAT would you change or add to the area if you could?**

I'd like to have a larger leisure centre with better sports facilities. Also stuff for young people to do to help them get into sports.

■ **WHAT three items would you want if you were stuck on a deserted island?**

A penknife, my rugby ball and other people.

■ **WHERE is your ideal holiday destination and why?**

New Zealand because you can ski, surf and go to the beach.

**Think
outside of the box**

Band forced to find a new home

A DORCHESTER band is fighting to stay in the county town after more than three quarters of a century.

The Durnovaria Silver Band has been told it will have to leave its practice hall, the Fordington Methodist Church Hall, because the church is closing its doors and the premises are due to be sold at auction.

Chairman, Colin Lucas said: "We are about to become homeless - a situation we have encountered before and one we must overcome if we are to continue.

"One option being considered is to raise enough money to buy the church hall, sharing it with other organisations.

"If other voluntary organisations are interested in shar-

by Trevor Bevins
trevorbevins@gmail.com

ing the premises, the band is open to offers, and willing to discuss all options."

Mr Lucas points out that the Durnovaria Silver Band plays a vibrant part in the life of Dorchester, providing regular concerts at the bandstand in the Borough Gardens and playing at fetes and other events throughout Dorset by request.

The players - aged from young teens to 80-year-olds -

are all volunteers, and take part entirely through their love of music and willingness to serve their local community.

He adds that the band is also involved with local schools, encouraging children to take up brass and other instruments.

Most concerts are free. The next event takes place at the Dorford Centre, Top 'O Town, Dorchester on Monday, July 16th at 7.30pm.

The band will be playing with its German twin, the Lübbecke Schützen Musik Corps wind band.

Mr Lucas can be contacted by email on - colin.lucas12@btinternet.com.

Education centre under review

THE future of a Dorchester centre which provides educational technology support for schools, colleges, charities and voluntary groups is under review.

The Dorset Centre for Educational Technology is also able to offer video filming and media training in addition to a range of other services.

It comes under Dorset County Council but operates as an independent service, based on the town's Marabout Industrial Estate.

Those who have used the services of the centre are asked to complete a short online survey by June 29th.

The survey can be found at - <http://www.surveymonkey.com/s/DCET>

Bus service rescued

DORCHESTER'S threatened bus services are to continue after a rescue package was worked out.

The county council has agreed a revised service with Damory.

It will merge the 1 and 2 services for Victoria Park, Castle Park, Poundbury Road and Normandy Way with a new amalgamated 3 and 4 service covering Fordington, Syward Close, Fordington Fields and Manor Park.

Town councillors Stella Jones and Molly Rennie, who started a petition to save the services, have thanked the county council for their work in saving the routes and have appealed for local people to now make use of the bus routes.

Problems started earlier in the year after Damory Coaches said it could no longer afford to run what it said are loss-making services.

Other routes affected by the changes include a diversion of the 216 service to include Charlton Down and the 387 between Dorchester and Poole, which will now be run by First Hampshire to include earlier and later services.

Hardy performance postponed

THE New Hardy Players have postponed their performance of The Woodlanders, due to take place in the Borough Gardens, Dorchester, next Sunday, June 24th.

The production has been delayed until next year. In the meantime the players will perform a variety of Hardy's works alongside Tim Laycock and friends at Max Gate and Hardy's Cottage at the request of the National Trust.

The details will be announced on the New Hardy Players website www.hardyonline.org.

Mobile phones worth £3,000 stolen from shop

WITNESSES are being sought following the theft of £3,000 worth of mobile phones from a Dorchester South Street shop.

The incident happened at 3.30pm on Thursday, June 14th at the Vodafone shop on South Street.

Three men entered the store and stole eight mobile phones that were on display to a total value of more than £3,000.

Police Constable Melanie Caldwell, of Dorchester Police, said: "The men quickly entered the store where they simultaneously ripped the phones from the dis-

play and ran out into the street.

"They ran up Antelope Walk in the direction of Princes Street where they were seen getting into a grey Volkswagen hatchback parked outside the Sportarm shop."

All three of the offenders were male. One of them was wearing all dark coloured clothing, another was wearing a grey hooded top, dark coloured jeans and white trainers.

The third offender was wearing grey tracksuit bottoms that had a black stripe down the sides, a dark

coloured hooded top and dark coloured trainers.

PC Caldwell added: "I urge anyone who may have witnessed the incident to contact Dorset police as soon as possible.

"I am also keen to speak to a lady who saw the offenders get in to the vehicle and passed this information to staff at the Vodafone shop."

Witnesses and anyone with information should call Dorset Police in confidence on 101 quoting incident number 14:257. Alternatively, call Crimestoppers line on 0800 555 111.

Did you see cycle collision?

POLICE are seeking witnesses to a collision between a car and a cyclist in Damers Road, Dorchester last week.

The collision, between a silver-grey car with a sliding door, driven by a woman, and a cyclist happened at about 2pm on Wednesday, June 13th. Both parties stopped to find out the extent of any damage or injury but it later turned out that the cyclist, a 59-year-old man from Dorchester, sustained a serious elbow injury.

Police Constable Gemma Nowell-Smith, of Dorchester police, said: "The driver of the car stopped at the scene and also took the cyclist to Dorset County Hospital for a check-up. Therefore, this is not a fail to stop

collision.

"At the time the cyclist was of the opinion that he was not injured and therefore did not take the drivers details.

"Following medical assessments he is now going to have a serious operation to his arm.

"I am appealing for the driver of the silver-grey car to come forward.

"I am also keen to hear from anyone who may have witnessed the incident as I believe there were a lot of witnesses around at the time."

Witnesses and anyone with information should call Dorset Police in confidence on 101 quoting incident number 13:283.

Tanks roll in to town

TANKS and other armoured vehicles from the Second World War will be rolling through Poundbury and Dorchester on Saturday.

The convoy is likely to be the largest collection of rare military vehicles to have been seen in the county town since the Second World War.

"It will be an incredible sight. I have travelled on one of these convoys and it was one of the best experiences of my life," said Phil Gordon, from Dorchester BID, one of the sponsors of the event.

It is expected that the convoy will start from Martinstown at about 1pm, travelling down High West and High East Street in Dorchester, via Poundbury.

The Armour & Embarkation event will be in the area to also take part in the Maiden Newton at War event over the

weekend and the Weymouth Veteran's Parade on Sunday. All the drivers and their crew will be dressed in full WWII uniforms.

A limited number of places are still available to travel with the convoy - costing £99 for the day.

Dorset was one of the major marshalling areas and embarkation counties, it played a major part in the build-up of the execution of D-Day and the liberation of Nazi occupied Europe with the area around what is now the county hospital one of the main marshalling areas.

Up to 5,000 people are expected to be in Dorchester on Saturday to see the convoy drive through.

Further information about the event can be found on the group's website - <http://www.armourandembarkation.com/>.

Road signs disappear in the grass as budget cuts mean fewer cuts

FROM page 1
compared to last.

It said: "The tough financial situation and the wettest April on record have conspired to create some of the most difficult verge-cutting conditions in decades.

"This year, fewer cuts were planned for urban verges than in previous years to save money and to bring the county council's cutting regime into line with other, similar councils.

"But the spring deluges have made the grass grow faster than usual and Dorset Highways teams, covering a wider area than previously, have struggled to keep up with the reduced programme."

Grounds service group manager Steve Harris said: "Some people have enjoyed seeing the flowering wild flowers and they have certainly benefited insects.

"Other people who liked the urban verges kept short have understood that we cannot cut them quite so often

any more."

Dorset Highways is now planning ahead by investigating other ways of managing verges which could reduce the amount they will need to be cut in future - while also providing thriving habitats for wild plants and animals.

Queen's medal honour for senior Dorset Police Officer

ONE of Dorset's most senior police officers has been named as a recipient of the Queen's Police Medal (QPM) in The Queen's Birthday Honours list.

Assistant Chief Constable Adrian Whiting, who has responsibility for delivery of the 2012 security operation, has been recognised for distinguished service following a 30-year career in policing.

On receiving the news, ACC Whiting said: "I am immensely humbled to have been honoured in this way. "It remains a very great privilege to have the opportunity to work with the terrific people in the Force, and with those from further afield in respect of certain command roles I have been able to undertake. In truth any recognition should surely be theirs.

ACC Adrian Whiting joined the Dorset Police in 2003. He has led police security for a number of party political conferences in the county and currently leads the Olympic and Paralympic safety and security operation in Dorset – the biggest operation ever run by the Dorset force.

Dorset Police Chief Constable, Martin Baker, said: "Never has an Honour been more deserved.

"Inevitably, Adrian's devotion to duty has meant that his wife Julia and their three children have at times paid a heavy price in terms of Adrian's absence from family occasions. I know that Adrian would be the first to say that his Honour is theirs also."

Summer drink drive campaign begins

YOUNG men are the most likely group to be arrested for drink-drive offences in Dorset.

The police summer drink and drug driving campaign has seen 52 arrests in the first two weeks – of those, 21 were under the age of 30 and almost all of them were men.

The month-long campaign runs throughout June, with every driver involved in a collision being breath

tested – irrespective of whether they are suspected of drink driving or not.

During last year's campaign, a total of 40 drivers had been arrested over a similar two-week period.

Chief Inspector Matt Butler, Head of Dorset Police's Traffic Unit, said:

"It is disappointing to see that more motorists are risking their lives by drink driving this summer compared to last year."

He is also asking the public to help: "If a member of the public suspects someone is going to drive under the influence of alcohol or drugs, they should dial 999 and report the details to the police so that we can intercept that vehicle.

"If you have any information about regular drink or drug drivers, contact Dorset Police in confidence on 101 to report this."

Boy's bravery rewarded

A SEVEN-YEAR-OLD Damers School pupil who rushed to his mum's aid when she collapsed has been rewarded for his actions.

Toby Harvey called for help and looked after his mum, Angela, and his younger brother, Scott.

Toby, who learnt first aid as a St John Ambulance Badger, was given a certificate of commendation by the South West Ambulance Service.

Paramedic, Damian Nineham, recommended Toby for remaining calm and helpful.

He said: "It shows the importance of early first aid training for young people and how it can save lives. "Most children of his age wouldn't have known what to do."

New cookshop

A NEW cookshop is coming to Dorchester – taking over the former O2 business in South Street.

The family-owned Steamer Trading Cookshop is asking for planning permission to replace the existing shopfront with a more traditional design. The building, sandwiched between W H Smith and Halifax, is a Grade 2 listed building and lies within Dorchester's Conservation Area.

Based in Sussex the company has 21 stores, mainly in the South East.

West Dorset planners have advertised the proposed changes to the building for public comment.

Mayor names charity of the year

HOME-Start West Dorset says they are "delighted and honoured" that Dorchester Mayor, Councillor Andy Canning has chosen the organisation as his charity for the year.

Janet Kennewell, Chair, and Helen Horsley, Senior Organiser of Home-Start West Dorset, attended the mayor making when the announcement was made.

Mrs Kennewell said: "In Mr Canning's speech he said that his sole charity of the year was to be Home-Start West Dorset, saying how very important the family was to him and how he wanted to ensure that, by choosing us as his charity, Home-Start West Dorset would be

by Trevor Bevins

able to support more families. He commended our organisation to all those attending.

"All those involved with Home-Start West Dorset including our volunteers and the families we currently help, are looking forward to an especially packed year. We look forward to the new mayor's help in consolidating and extending the valuable work we are doing in the West Dorset."

Mr Canning said he was delighted to be supporting the charity: "I have been impressed by the hard

work of so many volunteers who give freely of their time and energy to help young families who are struggling in these difficult times.

"Bringing up children should be a time of joy and happiness and Home-Start are doing their best to help ensure that local families rediscover these feelings. I will be doing what I can both to raise funds and awareness so that the many people who want to help can be trained and supported to make them as effective as possible.

"Home-Start may have only been around for three years but in the last year they supported 52 local families. With more support they could do so much more."

Swimming pool company award

DORCHESTER based swimming pool contractor, Cresta Leisure, has won another national prize to add to their achievement of Swimming Pool Contractor of the Year 2012.

The company, which started in 1985, has now been awarded the Commercial Air Source Installation of the Year at the National Heat Pump Awards in Birmingham.

Tim Bareham, Managing Director, was delighted: "Leisure centres in holiday parks nationwide are a major part of our business and this award was for a new indoor pool complex in Burnham on Sea, where we were able to re-use warm air to heat the pool in an entirely new way."

Thefts warning from police

THEFTS from unattended vehicles in Dorchester are now running at an average of two a week.

The police say there has been 58 thefts from unattended vehicles in the Dorchester Section since the beginning of the year - compared with 64 during the same period last year.

Ten were broken into while parked at beauty spots, and on each occasion a handbag has been stolen. Police say that car owners often wrongly believe that by hiding the handbag under the seat or in the boot it would not be a target for the thief.

Thefts from farms around Dorchester have also increased.

Crimes reported include the theft of a 12 volt fence battery from Piddlehinton; the theft of tractor weights from a tractor at Waterston, theft of four spotlights and half a tank of diesel from a tractor at Grimstone and theft of 16 boxes of plastic bail wrap from Evershot.

Dorchester Police would like to ask that all suspicious incidents are reported as soon as practical.

Wind ruins flags

STRONG winds have been causing damage to Dorchester's Union Jack decorations in High West and High East Streets.

Traders, town crier Alistair Chisholm, Antelope Walk cookshop manager David Taylor and Dorchester BID members have been carrying out "running repairs" to keep the flags flying.

The BID has offered some new flags and brackets for those damaged beyond repair.

New name for sports field

A SPORTS field at Crossways is being renamed to mark the Queen's Diamond Jubilee.

The sports field at Dick o' th' Banks Road will also become a Field in Trust, which protects its use for the community into the future.

An open day and dedication will be held later in the year.

Sun finally shines for carnival main event

AFTER days of non-stop rain the weather paused and kept dry for Saturday's Dorchester Carnival procession.

And as the clouds parted a riot of colour and fun took to the town's streets. With no theme for this year's event, participants did their own thing for

both walking entries and floats.

Crowds which lined the route loved it and the event was commonly held to be among the best.

by Trevor Bevins
trevorbevins@gmail.com

Carnival King and Queen Rosy Membury and Hayley McNulty headed the procession in a 1966 VW pick up owned by Stuart Downton.

Around 50 entries, both floats and walking groups, followed on behind them with music from the Dorchester Carnival Band dressed in their bee outfits. Prize money this year had been increased with the winners of each class receiving £300 with prizes of £200, £100 and £50 for second, third and fourth respectively for their group or charity of their choice.

An additional prize of £200 was offered for the best overall entry out of all the classes.

Mayor Andy Canning and his family were among the judging team.

He confessed that the standard was so high that they had to look at some of the entries a couple of times before making final decisions.

Round Tabler, Ellis Ford, who organised the procession for the fifth time, said he was delighted with the turnout and the enthusiasm of everyone who took part. "I doubt if we will make

cially my partner Georgina.

"The floats were fantastic and everyone in the crowd got behind it and made the whole event a fantastic event for the community.

"We do appreciate all the time and effort that the entrants put in for this event and without you we could not have such a great day."

Other carnival events included the annual charity pub race on Thursday (see page 8) which, despite the rain, attracted eight teams

of three keen to make their way around a town centre route of pubs and clubs.

The event was won by the Carnival King and two friends who made it around the route in a little over 21 minutes with the best fancy dress prize going to the Queen and two Guards.

Carnival procession winners – Children Walking: Broadmayne Scout Group "Royal Jubilee", 2 Grove Pre-School Playgroup, 3 Prince of Wales School, 4 Dorchester East Rain-

bows. Children's Floats – Manor Minors and Ozzies All Stars After School Club, 2 Manor Park First School PTA, St George's Sunday School, 4 Dorchester Rugby Club Juniors.

Non Commercial – Dorchester Town Supporters Trust, 2 Friends of Blossom, 3 Weldmar Hospicecare Trust, 4 Dorchester Strollers.

Commercial – Superdrug, 2 Hot Steps Dance School, 3 Martial Arts UK, 4 Wessex FM.

■ AN ad hoc choir has performed the Song for Dorchester in the Borough Gardens...among them was Tess James, deputy mayor, who commissioned the piece during her mayoral year.

The choir performed the piece "Dancing the Rings at Maumbury" from the Dorchester Festival stage before a crowd of several hundred.

The composition, in praise of the county town, was rehearsed earlier in the day in the Corn Exchange.

The sing-in was led by Kathie Prince, who with Geof Edge had composed the piece.

Search begins for Agricultural Student of the Year

THE second annual search for the NFU Agricultural Student of the Year has begun at Kingston Maurward College near Dorchester.

The award was launched a year ago as a joint venture between the Dorset NFU (National Farmers Union), Kingston Maurward College, New Holland and C&O Tractors.

Nineteen second year Level 3 Diploma in Agriculture students at Kingston Maurward College will take part in the contest today (Thursday June 21st).

They will be put through

■ LAST year's winner Sam Edwards, with NFU Dorset Chairman Robert Lasseter, tutor Martin Cartwright, and Agriculture Section Lead at Kingston Maurward College - Tim Stephens, with this year's competitors

their paces on a series of tests including livestock, machinery and estate skills tasks followed by a 50-question multiple choice paper.

NFU Dorset Chairman Robert Lasseter said: "We are in the most exciting time in Agriculture right now - there are so many opportunities in farming.

"This competition will give the students more confidence in their skills for the future.

"I really hope they enjoy the day."

Handbags and gladraggs to celebrate Age UK's birthday

AGE UK in Dorchester is celebrating its first year in the town with a fashion show and pamper day "Handbags and Gladraggs" this Friday, June 22nd.

The event, in the Corn Exchange, starts at 7pm. In addition to the fashion show there will be pamper stalls ranging from manicures to massage, as well as the final judging by the audience of the "Rags to Riches" fashion design competition.

Tickets price £6 are on sale in the shop.

Wendy Hilton Shop Manager said, "We have been really pleased with our first year of trading. We have had great support from donors, customers and have a brilliant team of volunteers.

"All the money raised in the shop is used to support services for local older people in Dorset."

One of the key services the shop supports is the welfare benefits service.

This provides a benefits health check for anyone over 55 who want to find out if they could be eligible for any extra money.

The trained volunteers will then help clients fill in the forms and will visit individuals in their own home if getting out is difficult.

"The shop is not only about raising money for these important local services, we also have a vast amount of useful information for older people to pick up.

"One leaflet which we are constantly restocking is about incontinence - a subject very few of us talk about and are even reticent to visit our GP for advice, but the booklet provides some very positive information," said Wendy.

If you would like to volunteer in the shop, book the window display space, find out more about the services Age UK Dorchester offer or buy a fashion show ticket visit the Age UK Dorchester shop on Trinity Street or ring 01305 753839.

Charity skydive

A FORMER Dorchester mayor and a nurse from the town will be leaping out of an aircraft to raise funds for two charities at the end of the month.

Sue Pharoah and Stella Jones who worked together for many years at Darners First School in Dorchester are skydiving for charity on Saturday, June 30th at Dunkeswell, near Honiton.

Sue, now a nurse, is raising money for Alzheimers Society, and Stella, a councillor and former town Mayor, is collecting for Cancer Research UK.

They are hoping to raise lots of money and have had a lot of support but say that any additional donations would be really welcome.

If you would like to sponsor Sue go to www.justgiving.com/suepharoah or for Stella www.bmycharity.com/stella or ring her on 01305 264335.

Rotary fun day

DORCHESTER'S two Rotary clubs will be taking over the Borough Gardens towards the end of the month for a Fun Day event.

The event, on Saturday, June 30th, promises attractions for all the family to enjoy with a range of sideshows and activities.

For those who want to avoid the 'silly sports' there will be a traditional 'knock a coconut off a hoop' stall, a bouncy castle, and live musical acts from the bandstand.

A hog roast is also planned, firefighters will be offering the chance to sit one of their tenders while some classic vehicles will also be on displays.

A grand prize draw offers the chance to win a 1st prize of the use of a Mercedes sports car for the weekend kindly donated by Mercedes-Benz of Poole.

The event has been arranged by the two Rotary presidents, Pauline Camm and Tim Stiles, to provide a fun day out for the people of the Dorchester area as a thank you for their support.

The clubs have thanked TGI Gold Sponsors, Magna Housing and Mercedes Benz of Poole and the many other businesses have also been prepared to offer financial support, including prizes.

Activities start on the day at 12.30pm and will continue until about 5pm.

MARTIN Crabb, Head Cheesemaker at Ford Farm accepts the award for the Best Dressed Truckle at the National Cheese Awards, 2012

A CHEESE-maker from near Dorchester has picked up an industry prize for the ninth year running.

Ford Farm from Litton Cheney has won the Best Dressed Award for its Wookey Hole Cave Aged Cheddar Truckle at the 2012 National Cheese Awards held at the Royal Bath & West Show.

The Dorset based dairy also won four Golds at the show along with two Silvers and two Bronzes.

They were also awarded a trophy for the best presented cheddar in the open class for cylindrical cheddars made in 2011.

Mike Pullin, Managing Director at Ford Farm was delighted to achieve so many awards at the show and in particular the Best Dressed Award.

He said: "For the first time ever, we allowed BBC Points West to film our experts at work behind the scenes, selecting the truckles for the show and grooming them in preparation for the class."

"Yet again, the hard work paid off as we won the award for the ninth consecutive year!"

Ford Farm also won an extra, unofficial class for the Best Smelling Cheese.

The "Pop-Up" class was judged by one of the UK's leading natural Perfumers, Richard Howard, who is also the owner of the Arcania Apothecary in Wells.

Richard had to select a cheese based on its aroma only and he picked Ford Farm's Wookey Hole Cave Aged Cheddar as the clear winner.

He said: "It was the only cheese in the class to have a truly distinctive full-bodied aroma with distinguishable top, middle and base notes."

Ford Farm was presented with a "Golden Nose" in recognition of the award.

Walk photo display

A DISPLAY of photographs from the Wessex Wanderer walks can be seen in the foyer of Dorchester Library until Saturday, June 23rd.

The walks, based on the Weymouth to Bristol rail line, show the wide variety of the places visited during the Ramblers-led walks.

Dorchester-based walks leader, Susan Blake, commented: "I have been leading for the Wessex Wanderer for 13 years and have never completely repeated a walk although inevitably there are sometimes not many options as to how you leave and return to a station. If there is time, we also have our favourite places for the post-walk cup of tea – or something stronger – before catching the train, which is good for the local economy."

The programme of walks has been running for more than 15 years and is organised and led by members of the Ramblers.

Funding has come from the four Ramblers' Areas involved – Avon, Dorset, Somerset and Wiltshire, with support from the Heart of Wessex Community Rail Partnership and First Great Western.

Programmes are available from Tourist Information Centres or by looking on <http://www.avon-ramblers.org.uk/wessex.html> or by sending a stamped addressed envelope to the Walks Co-Ordinator, 133 Congygre Grove, Filton, Bristol BS34 7HX.

Annual meeting

THE annual meeting of the Access for All Group will be held in Dorchester's Magistrates Room at the Corn Exchange next week.

The group is part of the Dorchester Area Community Partnership, set up to improve the standard of access to services, both public and commercial within the town of Dorchester and the surrounding area covered by the Partnership.

The meeting will be held on Thursday, June 28th at 2.30pm.

Specific issues the group has concerns about are: the siting of advertising boards in the town; Dorchester West Station access and the layout of Queen Mother Square, Poundbury.

If you would like to be a member, phone 01305 263759.

MICROCHIPPING your pet gives them the best chance of being identified and returned to you if they become lost or stolen.

Many pets can be microchipped including cats, dogs, rabbits and horses. Check with your vet for advice, as it will depend on the species, size and condition of your animal.

Thousands of pets are lost every year and many are never reunited with their owners – microchipping can change that.

While collars and tags can get caught or removed – microchipping identifies your pet permanently and effectively.

In 2011 the RSPCA chipped 61,903 animals.

HOW DOES IT WORK?

A tiny microchip is inserted under the animal's skin. This gives the pet their own unique code.

The microchip can be scanned and matched to the owner's contact details, which are kept on a database, such as the national PetLog database.

You must make sure the database you are registered with has your up-to-date contact details.

Public meeting to discuss report

Send your letters to
edit@pemedial.co.uk

JUDGING by the steady stream of letters in the local press on the subject of the new offices for West Dorset District Council (WDDC), now under construction in Charles Street in Dorchester, it would appear that WDDC leader Robert Gould's wish that we should put this matter behind us, is far from being granted.

Indeed my own findings rather indicate the opposite as more and more West Dorset residents, seeing for themselves the scale and setting of this Titanic edifice, express their dismay at what is being done to the county town with their money.

As your readers will be aware a number of West Dorset voters challenged the District Council's accounts for 2010/2011 and this triggered an examination by KPMG, the council's "external" auditors. Their report focussed on the issue of the new offices and makes interesting reading – WDDC scoring only two out of a possible four in terms of "value for money" is far from satisfactory.

However, as we all know, very few people will have either the time or the inclination to read it in full.

It is for that reason that I am holding a public meeting in Dorchester

Town Hall on Wednesday, July 4th at 7pm.

KPMG's findings and six recommendations will be considered and the financial truths of the whole affair will be assessed.

After reflecting on the likelihood or otherwise of Charles Street Phase 2 (the promised underground car park, stores, hotel, shops etc), a discussion will follow focusing on what people might be able to contribute to improve both governance and transparency within local councils in the future.

Big thank you to hospital staff : Better name?

I WOULD like to thank all of the people from the emergency services and also the hospital staff in A&E, the theatres, the wards and out-patients department of Dorset County Hospital, for their help and expertise when I had a gardening accident recently.

I unfortunately managed to try and rotivate my foot and leg on Sunday, March 25th. The first responder was on site within ten minutes of my wife calling 999 and I was in A&E within the hour. I was cleaned up as best as possible there and then, X-

Rays taken, damage assessed and sent to the ward. I was in theatre that evening, a Sunday, having my wounds thoroughly cleaned and patched up as best as possible. I then spent eight days in Ilchester Ward receiving 24 hour care and had a further two trips to theatre, the last of which was for a skin graft.

Everything is now healing well, although I'm still hobbling around and attending the out-patients department regularly to have my wound redressed and assessed. However, I shall be forever grateful to

everyone who assisted. If anyone tries to say our health services are not up to scratch in my presence, then they can expect a very sharp retort! My treatment was exemplary and everyone was caring and considerate, often going above and beyond the normal call of duty for the benefit of myself and other patients.

To all involved, accept this as my most sincere thanks for your care, assistance and sheer unadulterated professionalism.

I WAS most disappointed to learn that West Dorset District Council's new office block is to be called "South Walks House". How dull and unimaginative! Perhaps the council should have run a competition, as in conversations with other Dorchester residents over recent months, I have heard far more creative and memorable names suggested. No doubt your readers could supply plenty of ideas. My own suggestion would be "Gould's Folly".

What does the future hold for Bridport's St. Michael's Trading Estate?

IS IT THIS?

**OR
MORE
OF
THIS?**

TOMORROW, A CRITICAL DECISION WILL BE TAKEN OVER PLANS FOR ST MICHAEL'S TRADING ESTATE. These plans will provide the estate with a new lease of life, greatly enhance the environment, provide attractive affordable housing, increase employment prospects as well as preserving the unique character of St Michael's. The facts that West Dorset councillors, tenants, members of the public and everyone interested must consider are:

- The scheme complies with all current local plans and policies such as the South West Quadrant Regeneration Framework (which has been fully endorsed by Bridport Town Council) and the WA6 Local Plan which calls for mixed use of commercial and housing units – exactly as proposed.
- Employment opportunities will be enhanced as many of the older buildings are significantly under-utilised due to their decaying condition. For example, the Stover Building which West Dorset officers wish to preserve only houses three people in an area of 3,750 sq metres. The overall site density is low at two people per 1,000 square feet.
- The form and lay out of the proposed development is fully supported under West Dorset's own planning guidelines established in 2009 – therefore rejecting this proposed layout would be contrary to the council's own guidance.
- The response of English Heritage to the plans is inaccurate. The following will be retained: the historic elements of the Lilliput Building, ALL of the Red Brick Café, The Auction House, the Twine Walk and Store, the Northlights Building, the Old Tar House and, of course, the Bridport Industries Building with its distinctive tower.
- The Trick Factory – the estate's own indoor BMX/skateboard park for the youth of Bridport – will become an even more significant benefit for the town and will be set within a modern modular design and the highest levels of sound reduction.
- The four buildings planned for replacement are not Listed and have been altered so substantially that they are now of very limited historical value ; the tin sheds that have been the subject of so much comment were never used for net manufacture and are an eyesore to visitors arriving at Bridport Coach Station. And replacement of the Stover Building was previously accepted by WDDC officers in an earlier application.

And finally, earlier this year the coalition government introduced a new planning policy which requires local planning authorities to approach decision taking in a more positive way with the aim of significantly boosting the supply of housing. Through a clever mix of affordable and open market housing and refurbished commercial units, Hayward & Co will retain the unique identity of St Michael's and add to the vibrancy and vitality of Bridport.

Boost for village hall fund

THE Fawley Towers production by Frampton Footlights has resulted in a £750 donation to the village hall fund.

Bingo evenings run by Joan and Dave Drake and Rene Green have all contributed over £100 each time while a jumble sale organised by Mr Drake and friends added £420 to the fund.

The hall trustees annual meeting saw Pauline Macey standing down with Stephen Hebb joining as a new trustee.

Work will start on roof insulation and a new ceiling to the main hall and to finish the window and door openings on the south side of the hall. Once the work is completed over the stage the new rails and backdrop curtains, donated by Frampton Footlights, will be fitted.

A summer fund-raising "Flowers in August" event is planned for the hall on August 4th and 5th. The village fete this year will be held on July 7th and 8th with skittles on the Saturday evening and the fete on Sunday afternoon.

Summer coaching sessions

SUMMER coaching for cricket and gymnastics is being offered at Dorchester YMCA in July.

Gymnastics takes place between July 23rd and 27th with cricket from July 30th to August 3rd.

Day-long sessions cost £18, half-day £10 and 1.5 hour sessions £6.50.

The gymnastic sessions are aimed at all abilities over the age of five for the 1.5 hour and half-day, with a separate session for those who already practice at least 1.5 hours a week.

Sessions for recreational gymnastics will be held in the morning with artistic in the afternoons. On the Friday there will be a session on recreational rhythmic in the morning and advanced rhythmic in the afternoon.

Cricket coaching morning sessions will be for 5-9 year-olds with the afternoon and whole day sessions for those 9-plus. The coaches are Sean Fitzgerald and Owen Newton.

Both courses can be booked with Hayley Gould on 01305 266467. The final booking date is July 7th.

Tracking down Dorset's dragonflies

A NEW group has been formed dedicated to Dorset dragonflies.

And Dorset Wildlife Trust will be running a special day, devoted to the insects, on Saturday, June 23rd.

The Dorset Dragonflies group has been formed because the county is home to some very rare species, as well as habitats just perfect for this aerial predator.

The group has launched a new website which aims to get even the most novice nature lovers reporting their sightings and sending photos, as well as helping visitors to identify all of the Dorset species.

Andrew Brown, Dorset Dragonflies co-ordinator said: "When I became the dragonfly recorder for Dorset I made it an aim to encourage more people to get involved in recording or just looking at dragonflies, so I started to form a local group.

"But the group and new website are not just for specialists, I want as many people as possible to get involved, to get out in the countryside, enjoy our events and courses,

■ ANDREW Brown from Dorset Dragonflies

by Trevor Bevins
trevorbevins@gmail.com

and really start looking at the dragonflies they find.

"Also by using Facebook and Twitter we hope to encourage everyone to send us their pho-

tos, stories and recordings."

Dorset Dragonflies' website can be found at www.dorsetdragonflies.org.uk and they can also

be followed on Facebook at www.facebook.com/dorsetdragonflies and Twitter at www.twitter.com/dorsetdragonfly.

Dorset Wildlife Trust is hosting a day course on dragonflies and damselflies at their Kingcombe Centre on Saturday, June 23rd 10am till 4pm, run by Andrew Brown from Dorset Dragonflies. For more information, visit www.dorsetwildlifetrust.org.uk/dragonflyday.

There are 25 species of dragonfly and 17 species of damselfly resident in the UK, as well as seasonal migrants.

Many are easily recognisable such as emperor dragonfly, the UK's largest.

The often over looked dainty damselflies showcase some of nature's most dazzling colours, such as the azure damselfly and the emerald damselfly.

Dorset is especially good for the black darter and small red damselfly, which thrive on the county's rare heathland habitats.

Free concerts

A SERIES of short, free concerts presented by Dorchester Choral Society has started in villages around the county town.

The first of the 40-minute performance took place on Monday, June 18th at St Mary's Church, Stratton and on the same evening at the village hall, Maiden Newton.

This coming Monday, June 25th, the two venues are the Church of the Holy Rood, Buckland Newton at 7pm and St Mary the Virgin Church, Piddlehinton at 8pm.

On Monday, July 2nd the final performances will be at St Martin's Church, Martinstown at 6.45pm and at St Mary Magdalene Church, Loders at 8pm.

Choral Society members will sing from Dorset Spring Songs, poems newly set to music by Stephen McNeff, the Bournemouth Symphony Orchestra's composer-in-residence and Dorset Chalk Legends composer for the Olympics.

The choir, under its Director Christine Page with accompanist Heather Reed, will bring a varied programme that includes folksongs: Bushes and Brirs (Vaughan Williams), Early One Morning (Willcocks), She's Like The Swallow (from Newfoundland), and The Dove (Gustav Holst).

Variety will be added by the anthems Ave Maria (Bruckner), Ave Verum Corpus (Byrd), Hear My Prayer (Purcell) and Let Thy Merciful Ears (Mudd).

Rail crossing closure

THE Woodsford rail crossing at Lower Lewell Farm Road, Crossway, will be closed overnight on Saturday, July 28th for maintenance work.

Centurion Traffic Management have asked to close the crossing Saturday, July 28th at 11.45pm until 8am on Sunday 29th.

Local residents and businesses likely to be affected will all receive a personal letter about the closure.

A diversion route will be signed.

Help and Care when you need it

Clarondene

The weather can do its worst, but haven't we been busy these last few weeks!

■ Millie wins 'Jubilee'

FIRST all the flags went up in preparation for the Jubilee, in the garden, on the balcony, along the corridor and all over the lounge. The residents planned and prepared our Tuesday party, making paper chains and blow up balloons in red, white and blue, and planning a Menu. Diana helped them organise the games, most of which we didn't use because everyone was too busy chatting. 'Pin the Flag on the Castle' made by Cyril went down well, Frank won Pass the Parcel, and 'Name the Penguin' which Millie won with the name 'Jubilee', what else! We loved the cake Polly made and drank a toast to the Queen with fizzy fruit punch full of chopped fresh fruits.

Now we have all the tennis and football and several Union Jack flags have been swapped for England's red and white as we cross our fingers for England in Europe and a rain-free Wimbledon. Then we start the Olympics! Lyme Regis in summertime – come to Clarondene for a cup of tea, and join in the fun!

Thistlegate House

THE quality and equally the quantity of the staff that are employed within a residential care home is fundamental and vital for the sustained provision of high quality personal and individualistic care. Not only do they need to be highly trained in formal nationally recognised and measurable qualifications but also need special character qualities and everyday social skills together with an appreciation of the older generation, whose morals and standards may well differ from more recent trends. Effective communication skills is one of the most important qualities as without this particular skill proper understanding of the clients needs and wishes will not be understood and therefore the quality of care will suffer. Patience, empathy, commitment, resolve and an overall sense and desire to care is paramount.

At Thistlegate House we go to exacting lengths to firstly recruit the required calibre of staff and then provide them with the on-going training that will enable them to provide the

very finest care for our clients. We regard our care team as exceptional and we are proud that each and every member of our team possess all of the above qualities together with total dedication and commitment. Although the quality of care that we provide is excellent we are never complacent and we continue to strive for ever increasing standards of care and a better understanding of our clients needs and wishes.

Bymead House

Where quality care and a home from home is truly embraced

BYMEAD House is a medium sized dual registered home, offering a home from home atmosphere in Charmouth. Personal choice, individual freedom and comprehensive care are the foundations of the Bymeard House philosophy - a philosophy shared by all staff and which is reflected in the home's calm and friendly atmosphere. The home is owned by Susan Blacklock and managed by Elizabeth Wilson both of who have many years experience as Registered Nurses. Bymeard House residents also benefit from the minibus.

Our aims and objectives are committing to providing the highest standards of care in an efficiently managed environment providing value for money services.

We do this by:

- A quality approach to the care of our residents, which is truly holistic.
- Providing staff with training, development and motivation necessary to achieve standards of excellence.
- Choosing local suppliers based on the quality of the service and product.
- Bymeard House is committed to contributing to the communities it serves.

Susan has owned Bymeard House since 1992. In that time

she has developed and maintained the home always with the resident's needs uppermost. Susan and Elizabeth are proud of the reputation it has gained and all staff are fully committed to maintaining our aims as follows:

- Respect for the individual wishes of all our residents in maintaining a dignified and independent life style.
- To promote leisure and social activities of all kinds in which residents may participate if they choose.
- To provide a Manager and Staff who are trained to provide the highest possible standard of 24 hour care.
- To ensure that the Home, its surroundings and furnishings provide a comfortable setting allowing residents to enjoy a quality of life.

Bymeard House residents enjoyed a Jubilee 'street party' including a buffet and home made cakes. The weather stayed fine so they were able to enjoy the party outside in the garden. All the staff and families were invited so over 90 people celebrated the Queens Diamond Jubilee together. Liz Wilson, Manager, said she had received many compliments on the party and said how nice it was that our residents were able to participate in such an important occasion.

A feature dedicated to services and businesses in Dorchester

SUPPORTED BY Dorchester BID

Boutique café in the heart of Dorchester

THE Loft Café on Antelope Walk in Dorchester has an ethos to provide freshly made food with seasonal ingredients, and locally obtained where possible. All food is made at the café, except for the bread which is sourced from an artisan bakery, and the menu changes daily. This ensures that ingredients are always at their best and that there is minimum waste.

The Loft has a distinctly European feel as customers can enjoy something to eat or a glass of wine at any time throughout the day. Delicious food, wine and coffee are available at all times, and the ambience is always relaxed and inviting.

Coffee lovers will be thrilled to discover that Illy coffee has been chosen specifically for its freshness and superior taste. The brand is also truly fair to its producers as they buy direct, and also boast some impressive environmental credentials.

This unique concept is the vision of owner Sally Dixon, who has live overseas and travelled extensively throughout Africa and Asia, bringing a wonderful mix of world flavours and traditional coffee shop values to Dorchester. The Loft's Supper Club begins on Tuesday 3rd April with a Nonya themed evening. This will then run on the first Tuesday of each month.

So for a delicious slice of homemade cake and a superb cup of coffee, a light flavoursome lunch with a glass of wine, or a quiet moment with a cup of green tea, The Loft Café is the place to be.

Change your mind and change your life!

"**LOST**" weight lots of times but then "found" it again? Hypnotherapy can help free your subconscious from the old negative patterns so you can let go of the weight for good.

Knowing the power of the mind, Susan Gale, of the Beltain Centre in Dorchester, hates to hear the phrase "lose" weight. We only generally speak of "losing" something we value and want to get back again.

Most people don't want to put the weight back on but are trapped in repeating patterns made worse by past failures. And sometimes that spoils your sense of self-worth and erodes confidence,

adding more problems.

Don't "learn to live with it" – learn to live without it.

Susan's years of experience can help you break free. Take a look at her website www.beltain.co.uk or phone her on 01305 267069 to see how hypnotherapy could help you change for the better.

Electric Palace screening National Theatre's Frankenstein next week

THE National Theatre's award winning production of Frankenstein returns to the Electric Palace, Bridport next week (Thursday, June 28th) with Benedict Cumberbatch this time playing the Creature and Jonny Lee Miller as Dr Frankenstein, following the screening a fortnight previous with the roles reversed.

Childlike in his innocence but grotesque in form, Frankenstein's bewildered creature is cast out into a hostile universe by his horror-struck maker. Meeting with cruelty wherever he goes, the friendless Creature, increasingly desperate and vengeful, determines to track down his creator and strike a terrifying deal. Urgent concerns of scientific responsibility, parental neglect, cognitive development and the nature of good and evil are embedded within this thrilling and deeply disturbing classic gothic tale.

The National Theatre Live's Encore screening of Danny Boyle's 'Frankenstein' will be at the Electric Palace on Thursday, June 28th. Doors will open at 7.00pm with the screening starting at 7.30pm. Tickets are £12.50 and are available from Bridport Tourist Information Centre on 01308 424901.

Sarah De Warren in Live and Unsigned final

SARAH de Warren entered the national Live and Unsigned competition this year - the largest competition of this type in the UK - and out of around 12,000 entries, has qualified for the Grand Final at the O2 in London on July 14th.

Her qualifying performance in the Area Finals, supported by Charlie Raines on cello and backing vocals, also picked up an award for Best Original Song for her song 'Tear It Up'. A recording of her qualifying performance can be accessed by the following link: <http://www.youtube.com/watch?v=8EYKMPaZb0>

Following the Area Final, she was signed up to play at the new Paddington Li.ve Festival on June 2nd, Headlined on the Acoustic Stage at the Dorchester Festival on June 3rd and is due to open the Main Stage at the Summer Sound Festival in Liepaja, Latvia on July 7th - the largest festival of this type in Latvia.

Sarah has been selected by the Arts Council to busk on the streets of Weymouth during the Olympic Sailing events as part of an Animating the Streets busking programme.

Born in Dorset and resident in Langton Herring, Sarah is a former pupil at Radipole County Primary school, Wyke Regis Junior school and Budmouth Technology College and is now sitting A'Levels in Maths, Physics and Music at Bryanston School and plans to go to university later this year and study acoustics/sound technology. During school holidays and on weekends, she can be seen busking on the streets of Weymouth, Dorchester and Bridport or performing at open mic nights in the three towns.

Riding alongside the Live and Unsigned competition is a chance for Sarah to play on the main stage at the Relentless Boardmasters festival in August. This will be decided by judges from a shortlist of the four acts who have attracted the highest daily average number of You tube views from the Area Final footage. So log on and help Sarah reach the top of the leader boards!

Digging for History – a day of Dorset's Archaeology and Local History

IT SEEMS that interest in our local history and archaeology has never been so popular, with books and television programmes dedicated to the topic. On Saturday, July 21st there is an exciting day to find out more about Dorset's local history and a chance to meet a range of experts.

The Dorset History Network has planned a study day at Dorset County Museum as part of the Festival of British Archaeology. There is a lot to uncover in one day, with archaeologists and historians from television alongside academics and local historians available to share a wealth of expertise and knowledge from around the county and across a

wide range of historical periods.

There will be opportunities to seek advice and guidance from the speakers, including Julian Richards who will talk about the archaeology to be found under a surprising place - Dorset's schools and Peter Stanier, who will discuss Industrial Archaeology. Other speakers include Ciorstaidh Hayward Trevarthen, Somerset and Dorset Finds Liaison Officer, Professor David Hinton from Southampton University and Clare Randall, Research Director, South Somerset Archaeological Research Group. Finally Lilian Ladle of Wareham and District Local History Society will be revealing all about Augustus Moore, a disgraced Tobacco Pipe

Maker.

The Dorset History Network is an umbrella organisation bringing together individuals and local groups interested in all aspects of Dorset's history. This will be a day school encouraging people to explore archaeology as a source for their studies, and potentially design and engage in future community projects. Tickets cost £12.50. More information and booking forms are available from Dorset History Centre, Bridport Road, Dorchester DT1 1RP, Tel: 01305 250550 and Dorset County Museum, as well as on line at the Dorset History Network website www.dorsethistorynetwork.org. Maiden Newton at War 2012, bigger and better than ever

THE premier 1940s re-enactor event in Dorset, *Maiden Newton at War*, returns for the third time on 23rd and 24th June 2012.

This increasingly popular event recreates the atmosphere of the 1940s through living history and re-enactments. Maiden Newton is the ideal location to hold an event of this kind, because its landscape remains almost unchanged since the 1940s. During the Second World War, Maiden Newton went through the full evolutionary process of preparing for war. Initially it established its local Auxiliary Fire Service, Home Guard and Air Raid Precautions to defend against an expected enemy invasion. It then supported the allied invasion in 1944 by becoming an important US Quartermasters Stores railway bridgehead.

The Event Manager, Andy Elliott, says "Maiden Newton is unusual in that most of its WW2 defences still exist. Initially it was on a 'Stop Line' and anti tank obstacles and Pill Blocks were constructed in large numbers. Many of these can still be seen forming a circular defence around the village to create an 'Anti-Tank Island'. If the German invasion, 'Operation Sea

Lion', had taken place then Maiden Newton would have seen action as the axis forces were due to land in Lyme Bay and progress along the railway to Maiden Newton on their way to Bristol. Maiden Newton at War sets out to remember the events of the 1940s and enables visitors to see how people lived, look at the vehicles and equipment and see both allied and axis forces up close in our battle re-enactments". This year there will be more than fourteen re-enactor groups with civilian and military vehicles, vintage aircraft and tanks amongst many other attractions. For more information visit the website: www.maidennewtonatwar.co.uk or e mail: info@maidennewtonatwar.co.uk

Best of Beaminster

FOOD has always been the heartbeat of the BridgeHouse Hotel. Its restaurant - The Beaminster Brasserie - consistently offers quality, original food. Combined with a unique building - a 13th Century former priests' house - the brasserie blends modern contemporary dining with a simply magical venue. Its capacity and choice of dining areas is deceiv-

ing with the Georgian dining room at the front, two conservatory dining areas and when the sun shines, the fabulous alfresco restaurant overlooking the walled garden. Perfect when the sun shines!

Food has always been sourced locally long before it became fashionable. The kitchen produces everything in house from bread, jams & marmalades to sauces, ice-creams and cakes. With 2 AA Rosettes and a former Taste of the West Gold Award quality is assured.

Unlike hotel restaurants

of old, the brasserie is unpretentious, welcoming and affordable. While it remains a terrific venue for any special occasion from an anniversary or wedding to a birthday, the Beaminster Brasserie is great anytime for a hearty local breakfast, simple lunch, afternoon tea or delicious dinner.

“ Born and bred in Charmouth, West Dorset is simply in my blood. Having worked and trained in some amazing venues such as The Chewton Glen Bath Spa and the Michelin starred L'Aubergade in France, I was thrilled when the rare opportunity to become Head Chef at the BridgeHouse became available. Three years later I still love everything about the place. Turning our amazing local produce into something special is what drives me, from Lyme Bay fish to Jurassic coast meat it gives me as a chef a wonderful platform to be creative. My style is now international whereby we've had great success with everything from an exotic curry to a local homemade pie. Taste, texture and seasonality are the focus of what I do. I'm not interested in pretentious cooking - just food that reflects West Dorset, can be enjoyed outdoors, is totally delicious and yet doesn't take itself too seriously.”

A Bit Of A Do in Litton Cheney

THIS year's "A Bit Of A Do" is to take place on Saturday, June 23rd, starting at 2pm. Now in its fourth year, Martin Bell has been organising many vintage vehicles of all types to meet up and show the public their 'pride and joys' to raise funds for Bride Valley Fledglings Pre-School. BVF is an independent Pre-School based at Thorners C of E Primary School in Litton Cheney. It is a

registered charity, the committee organises many small fund raisers throughout the year, and this event is an annual one; which has been a lot of fun and success in previous years.

This year the main event takes place at LATCH (Litton And Thorners Community Hall), School House Lane, Litton Cheney. As well as the vintage and classic vehicles,

there will be plenty to see and do. With music by The Rex Trevett Band, our kitchen serving fresh cream teas, hot & cold beverages and of course a jug of Pimms or two; plenty of stalls including cake, produce and plants; a very popular bottle tombola; and plenty of fun for the children including bouncy castle, colouring competition, face painting and a prize for the best dressed child in 'Red, White and Blue'.

For anyone with a vintage or classic vehicle, if you would like to bring it along, we would be happy to see you. Free cream tea for all vehicle exhibitors! Please have your car on site before 2pm to avoid traffic problems. Call Martin on 07939172615 for more exhibitor information.

Public parking this year has been arranged by kind permission of C G Fry Ltd., please park in their yard and walk the short distance to the hall. Disabled and exhibitors of vehicles only at LATCH.

BRIDPORT'S only Dedicated Dinner and Music Venue were enthralled and entertained to the highest of Cabaret and Jazz standards last week, with Charlie Bicknell, supported by David Harrod and Clive Ashley performing west end classics as well as jazz numbers, to a captured audience. Every number was followed by rapturous applause, making June 7th a fabulous evening. If you did happen to miss that one, why not book for the next 115 Club gig, Pete Maxfield, a triumph on Double Bass returns once again, this time with Ray Diverno on Keyboard and Vocals by Sarah Prichard. Both Ray and Sarah are well established and respected artists in their own right. Ray is a Classical Pianist, who at a young age turned to Jazz, opening his own Club in Bushley, North London and has supported many Jazz musicians (including Tubby Hayes) As well as playing Ray has taught, promoted and has been Chairman of Jazz South. Sarah is a Glamorous and huge talent, with the highest of Jazz standards and exotically fabulous vocals, bringing a diverse

but classic Jazz edge.

Pre-booking for dinner between 7:00 and 8:00 pm is essential, and guests should telephone on the day (between 2:00 and 6:00pm) to confirm numbers in their party, at which time they will be informed of the cover charge - anticipated at between £5 and £10 per

guest. Unfortunately late-comers cannot be accommodated as dining must be completed before the music starts at about 9:00pm.

Attractive contract hire offer on Mazda6 'Business Line' model

- Monthly contract hire rate of £229.99
- Models available for delivery within 14 days from all Mazda dealers
- Mazda6 'Business Line' makes financial sense, says publication

THE corporate-focused, affordable Mazda6 'Business Line' model is now available through Mazda Contract Hire at a special rate of £229.99 a month.

Vehicles are available for delivery within 14 days compared to some motor manufacturers where delivery cannot be guaranteed for three months or more.

The 2.2-litre MZR-CD 129ps diesel five-door hatchback has emissions of 133g/km, combined cycle fuel economy of 55.4mpg and carries an on-the-road price tag of £18,305.

A combination of competitive on-the-road pricing coupled with 'low' emissions for an upper medium sector model means that company car drivers will pay benefit-in-kind tax of £60.43 (20% taxpayer) monthly and £120.87 (40% taxpayer).

The 'Business Line' model, which was launched last year, is specifically targeted at fleets and small businesses and is available in one highly specified model with Sanyo TomTom satellite navigation, Bluetooth technology and 17-inch alloy

wheels. In addition, this model includes Dynamic Stability Control (DSC) and Traction Control System (TCS) with Electronic Brake-force Distribution (EBD) and Emergency Brake Assist (EBA) as well as front, side and curtain airbags, cruise control and dual-zone climate control air-conditioning, features all expected by today's company car driver.

The lease deal is based on 36 months non-maintained agreement with metallic paint (Black Mica, Sunlight Silver Metallic and Stormy Blue Mica) and with a mileage of 10,000 miles per annum. First payment in advance is equal to three monthly rentals (£690 + VAT), followed by 35 monthly rentals (£229.99 + VAT).

This offer is currently available until September 30, 2012 through Mazda Contract Hire and the Mazda franchise network.

Leading motoring magazine Auto Express named the Mazda6 'Business Line' as the 'Best Business Car' in its recent 'Britain's Top Penny Pinchers' article (Issue No.

1193).

The publication said: "It is possible to bag a comfortable motorway cruiser that'll cost you no more to run than a top-of-the-range supermini....the low 133g/km CO2 emissions and tempting £18,305 price tag make the Mazda a bargain for benefit-in-kind taxpayers....An excellent driving position, low noise levels and punchy 2.2-litre diesel engine help take the strain out of long motorway journeys...sharp and engaging handling owes much

to the brand's racy MX-5 roadster. You can revel in a fuel-sipping 55.4mpg return at the pumps. Climbing behind the wheel for a long-haul trip now makes more financial sense than ever."

Mazda Head of Fleet Steve Tomlinson said: "The Mazda6 'Business Line' represents fantastic value for a fun-to-drive car with the style, performance and features of our most successful fleet model.

"Also, take into account a residual value of 41 percent at three years/30,000 as forecasted by CAP (April 2012) and immediate model availability and we anticipate further significant corporate interest in the Mazda6 'Busi-

ness Line'."

Tomlinson added: "For fleets the lack of availability of a new company car can prove costly, while for drivers such delays are frustrating. The options facing businesses are typically to deflect on schedule and then hire a vehicle for the interim period or extend the replacement cycles which, for outright purchase fleets means a lower second hand value on the current vehicle or, for leased fleets, paying to extend the contract.

"However, such problems are not encountered when ordering the Mazda6 'Business Line' as stock is available across the Mazda UK network."

INSIDE EDGE - DORSET CRICKET ROUND-UP

WITH STUART BROOM

Derby day delight for Dorchester

THE strong winds and heavy showers affected a number of games on Saturday resulting in reduced targets, with differing effects on the results.

Whilst it gave Weymouth the edge over Dorchester in the local derby, Beaminster, Bridport and Dorchester 3rds all came through unscathed.

Unfortunately Weymouth 2nds had to scratch as they were unable to raise a team due to injuries and unavailability.

**Dorset Funeral Plan League
Premier League****WEYMOUTH 124-7 BEAT DORCHESTER 148-8
BY THREE WICKETS ON REDUCED RUN RATE**

KIERON Womble and Ben Doidge steered Weymouth to victory in this game which was reduced due to persistent rain midway through the Dorchester innings.

Matt Lawes, standing in for unavailable skipper Dean Janaway, won the important toss, and put the county town in on a wicket where the ball kept low and the long and damp outfield made it difficult to penetrate.

They started brightly with Steve Gerety (17) hoisting Dave Trotter (2-36) for two consecutive sixes, but the bowler got his revenge soon after dismissing both Gerety and Pete Moxom (10) whilst Lawes accounted for Ian Sibley for a duck to leave Dorchester on 31-3.

Things didn't improve with the introduction of Dan Hutchens (3-23) who removed Dan Belt (11) and Sam Goodhew (7) as Dorchester slumped to 51-5.

It was left to Quenton Miller (32) and Jon Legg (26) to dig in, but not before rain had sent the players off for an hour.

The pair added 63 for the sixth wicket before skipper Martyn Richards (17 not out) helped them to 148-8 off their 50 overs.

In response Weymouth chasing 124 from 33 overs, lost Hayden White (5) bowled by Crispin Brown, and with Jim Ryall (26) striking a few lusty blows before becoming a victim of Moxom (2-21), they too found themselves in some trouble at 73-5.

However Womble (23 not out) and Doidge (21) steadied the boat and added 43 to take them in sight of victory which they achieved with four overs and three wickets to spare.

A disappointed Richards said: "It was a good game for the neutrals. The conditions were difficult with a wet outfield and we struggled to hit boundaries.

"The pitch was a bit sticky, and although we started in an aggressive manner, to be fair to Weymouth they bowled a fairly good line and length.

"Although we had been in trouble before the rain came, Quenton and Jon were just establishing a patient partnership which wasn't helped by the rain delay.

"It was always going to be difficult to defend the reduced target because batting second you have all 10 wickets, and the bowlers are restricted in the number of overs they can bowl.

"It was unfortunate that, given the situation, we also were missing James Dunham and Jon Lewis, two of our main line bowlers.

"We had them in a similar position at 71-5 but a good stand between Ben Doidge and Keiron Womble which we couldn't break until it was too late proved to be their winner.

"Congratulations to Weymouth on their victory and we must now look forward to Stalbridge on Saturday."

Lawes was unavailable for comment on Weymouth's performance.

**Division Two
DORCHESTER 2ND 123-8 LOST TO BEAMINSTER****248-4 BY 125 RUNS**

BEAMINSTER got off the mark with a thumping win over Dorchester 2nds for their first victory of the season.

Will Everitt won the toss and brother Freddie Everitt and Nick David gave them the ideal start with a stand of 95 in just 18 overs before both fell for scores of 41 to Joe Power, Dorchester's best bowler by far with 3-44, who also soon trapped Simon Jones (7) to leave Beaminster 112-3.

However, in a rare appearance, Ralph Bugler and the in-form Richie Runyard added 124 for the fourth wicket as the home bowlers toiled.

Runyard was eventually out for 61, leaving Bugler not out on 52, as Beaminster posted 248-4 in their 45 overs.

Dorchester were soon in trouble as Tom Goatley dismissed Jon Acheson and Rhys Cole with successive balls, and although Pete Diffy avoided the hat-trick, he went soon after to leave the county town side's hopes in tatters.

Opener Ian Legg (25) and Matt Porter (33) produced some resistance but another batting collapse when they went saw Pete Horne (23 not out) playing the overs out, reduced because of rain, to avoid losing more points.

CRANBORNE 95 ALL OUT LOST TO**MARTINSTOWN 106 ALL OUT BY 11 RUNS**

THIS was a good win considering Martinstown were missing four regulars.

Losing the toss on a damp, green wicket, the visitors soon lost Henry Lewis, lbw for a duck, but Ed Nichols and captain Danny Dancer settled down to build a platform, before Nichols (19) was unfortunately run out by the bowler when dropping a caught and bowled opportunity.

However, with Dancer anchoring the innings, and some lusty blows from Liam Banfield (14 including 2x6) and a late flourish from Matt camp (17) they mustered 106 all out with C Arnold (4-17) off

■ CRUCIAL SPELL: Danny Dancer

9.1 overs) their most successful bowler.

Rain just before and during tea looked like it might bring an early finish, but the umpires decided it was playable.

Dancer and Camp (3-22) opened the bowling and both bagged a brace to leave Cranborne in trouble on 15-4, and with Dancer getting a third on his way to a superb 5-34, they were 31-5.

However the middle order of Arnold (20) and Harris (28) closed in on the target and although they were eventually dismissed with the score on 71-7, Ingram (15) looked like he would see them home.

But an inspired bowling change saw Danny Way (1-5) do the trick and Cranborne were finally dismissed 11 runs short.

Dancer said: "Losing the toss was a

major blow, and our display with the bat was far from promising. Cranborne bowled well in favourable conditions but we managed to get to 106 with some useful runs from Liam Banfield and Matt Camp at the end, but I felt we were about 40 runs short of par.

"I took the new ball with Matt Camp and we made early in-roads into their top order getting them 15-4.

"They had a couple of guys in the middle order who took it to us, and really swung the game back in their favour, but Matt got one of them caught behind and Liam Banfield had the other caught at long on.

"I thought the game was still being lost so I decided to take a gamble and bring on Danny Way, who again bowled superbly getting an important wicket. I bought myself back on from Matt's end and was happy to get the last two wickets with them 11 short.

"It was a tough day but a great victory, especially with four of the regular side missing, but the guys that came in did a good job."

**CHRISTCHURCH BEAT WEYMOUTH 2ND
(SCRATCHED)****Division Three****COMPTON HOUSE 100 ALL OUT LOST TO****CATTISTOCK 104-7 BY THREE WICKETS**

AFTER a disappointing result last week, Cattistock bounced back with a good win to leap-frog over opponents Compton House into second spot.

With a couple of players unavailable, they turned to umpire Richard Fagence to fill a place, and he did the trick with a 'five-for' that laid the foundations of the victory.

Put into bat, the hosts struggled against the accuracy of Martin Langford (2-34) and Lee Anderson who both bowled their 12 overs right through, leaving Compton House on 53-2 after 24 overs.

It was first change Fagence with 5-27 off seven overs and Buddy Langford (2-14 off six) who ripped through the hosts' defences to set a target of 101 for victory.

Cattistock didn't have it their own way in reply losing Billy Walbridge for a duck in the first over, and when Steve Tucker followed soon after they were 1-2.

With Nick Roe following at 20-3 it was left to Martin Langford (38) and captain Ben Golledge to pick up the pieces with a half-century fourth wicket stand.

Langford's dismissal, followed quickly by Ian Doyle and Gareth Foden, first ball, saw them slump to 79-6 and in danger of missing out

But the steady head of Langford helped Golledge, who finished 28 not out, towards the line. It was Anderson who put the game to bed with a huge six out of the ground for victory.

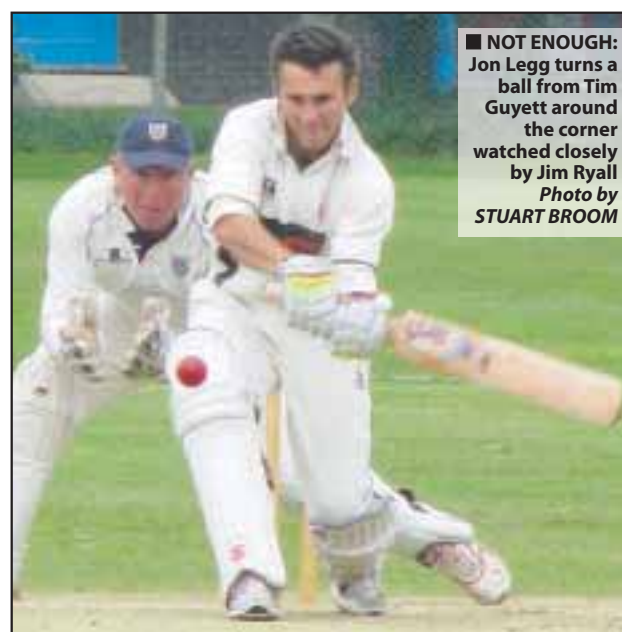

Division Five North & West**DORCHESTER 3RD 263-8 BEAT ABBOTSBURY
98 ALL OUT BY 165 RUNS**

PETE Tucker's young team returned to winning ways by destroying an experienced Abbotisbury side to leap to the top of the table, in a reduced match interrupted by rain in both innings on many occasions.

Having been set a target of 158 in 27 overs, Abbotisbury were bowled out for just 98 giving Dorchester victory by 60 runs.

Dorchester set an imposing 263-8 from their full allocation of 45 overs, with 14 year old Dan Morris (51) and 16-year-old Luke Voss (72) and Sam Roles (68) all hitting 50s.

Morris and Voss put on 63 for the second wicket in only 12 overs, Morris produced a fine range of shots pulling and

driving to most parts of the ground bringing up his 50 with a trade mark drive through mid-off before James Pretty struck to have Morris caught by Frank Pitman for 51.

The partnership of 130 between Voss and Roles took the game away from Abbotisbury. Voss anchored the innings playing patiently, rotating the strike in his two and a quarter hour stay at the crease, leaving the stylish Sam Roles to drive and pull ten boundaries in his 68 before being caught by Jewell off Pateron with the score on 197-3. Voss was eventually out for 72 in the last over well caught by Steve Budd off Pretty.

The Abbotisbury innings never really got going as the rain interrupted their innings to the frustration of players, umpires and watching parents.

Various targets were set and then revised to finally a 27 over target of 158.

Fifteen-year-old debutant fast bowler Jake Pike (1-29) struck in his third over to remove the Abbotisbury skipper Nick

■ FIVE-FOR: Richard Fagence

Warlaw and then the impressive 14-year-old Matt Stevens (2-7) removed James Pretty with a beautiful ball that nipped back off the seam and Pitman as he missed time a drive straight to Pete Tucker at mid-off to leave the score on 40-3.

Chris Duerdoth (24) struck a few blows to the boundary before Jae Miller caught him searching for another running in

from the boundary off the bowling of Roles.

Morris eventually bowled the ever-green veteran Steve Budd for a patient 36 including five boundaries with the score on 78-5.

There was another impressive debutant display from 14-year-old Caspar Bailey who took 3-9 from only four overs in tandem with Roles (3-33) to end any hopes of Abbotisbury reaching their target.

Captain Pete Tucker said: "The weather played havoc with the game, but with great patience a result was gained. Once again it was extremely pleasing to see some great batting and bowling performances from the young lads.

Consecutive 50s from Dan Morris and Sam Roles was impressive but Luke Voss batting for 44 overs was the most pleasing, showed good concentration.

Two more bowling debutants Jake Pike and Caspar Bailey enjoyed success and both look good prospects as they step up to senior cricket.

Division Six North & West**MARTINSTOWN 2ND 189 ALL OUT BEAT STALBRIDGE 3RD 98 ALL OUT BY 101 RUNS**

MARTINSTOWN 2nds maintain their position at the top of division 6 with a solid win against Stalbridge 3rds.

The home side having won the toss, batted first and made a great start with the visiting bowlers struggling for control in the blustery conditions.

Martinstown's top order of Colin Crosthwaite (21), Bernard Grossmith (24) and Tom Bracey (28) all made good starts but failed to capitalise, and a string of wickets, with some sharp catches, put Stalbridge right back in the game.

However some sensible batting by the lower order of James Reynolds (23) and Ollie Gargrave (21) pulled the home side back up to set credible target of 189.

Martinstown's bowlers were accurate from the off, giving the visitors virtually no easy scoring opportunities, although wickets were not forthcoming.

However with pressure building on the Stalbridge batsmen, wickets eventually started to tumble.

David Weldon (5-19) took his second five wicket haul in succession with 5-19 and with skipper Chris Monteith also nabbing 3-18, Stalbridge were eventually dismissed for 88 all out.

LONDON 2012

36 DAYS TO GO

Ainslie heads Team GB medal hopes

TRIPLE Olympic gold medallist Ben Ainslie heads the names of the Great Britain sailing team chosen for London 2012 Olympics which will be staged at the Weymouth and Portland National Sailing Academy.

Ainslie will represent Team GB in the Finn class hoping to secure his fourth consecutive Olympic gold medal having won his first in Sydney in 2000, racing in the lighter Laser craft.

He subsequently switched to the heavyweight Finn dinghy, securing successive Olympic titles in Athens and Beijing and will be trying to emulate legendary Danish sailor Paul Elvstrom, who won four consecutive Olympic gold's between 1948 and 1960, three of them in the Finn.

Victory would see the 34-year-old join rower Matthew Pinsent as only the second British athlete to have won four consecutive Olympic gold's; only Sir Steve Redgrave, with five, having won more.

Ainslie had the honour to be selected to run the first leg of the Olympic Torch Relay when it started its journey to London from Land's End last month.

He will be joined in Dorset by Beijing Olympic Star champions Iain Percy and Andrew Simpson. Percy (35) is going for a third Olympic gold medal after winning the Finn title in Sydney in 2000, and then teaming up with Olympic debutant Simpson to take the Star title four years ago.

Paul Goodison who won gold in Beijing in 2008 after disappointingly finishing fourth in Athens four years earlier, fought off stiff competition from Nick Thompson in the Lasers and hopes to make it a double.

Hannah Mills and Saskia Clark have been selected for the Women's 470 despite only teaming up in February following the retirement of Weymouth's twice Olympic champion Sarah Ayton, whilst Luke Patience and Stuart Bithell will represent the men in the same class.

The pair who have been racing as a team since 2009, clinched their spot when collecting silver at the World Championships

in Perth in December.

Eyes will be on sisters Lucy and Kate Macgregor and Annie Lush who will be competing in the new Elliott 6m match-racing event which replaces the Yngling class, in which Britain's women achieved consecutive gold medals between 2000 and 2008.

Although the team only finished seventh at the Olympic test event it was enough to win the place.

Windsurfers Nick Dempsey and Bryony Shaw have also been picked to compete in the RS:X class.

Dempsey, who is married to now retired 470 gold medallist Ayton, finished fourth in Beijing following a bronze in Athens, whilst Shaw won the bronze medal in the 2008 Summer Olympics, the first ever women's windsurfing medal for the British Olympic team. Both live in Weymouth and train at the WPNSA.

The latest and final additions to the team are 49er's Stevie Morrison and Ben Rhodes, and Alison Young who will race in the Laser Radical class.

Morrison (33) and Rhodes (31), have been sailing together since 2001, and won the 49er World Championship in 2007.

Although among the favourites for gold in Beijing, they finished ninth and will be looking to put that disappointment right this time.

They won the place ahead of John Pink and Rick Peacock, the 2009 world silver medallists, and Dylan Fletcher and Alain Sign, the 2011 European champions.

For Young, this will be her first Olympics.

The Olympic line-up: STAR: IAIN PERCY & ANDREW SIMPSON, LASER: PAUL GOODISON, WOMEN'S 470: HANNAH MILLS & SASKIA CLARK, MEN'S 470: LUKE PATIENCE & STUART BITHELL, ELLIOTT 6M: LUCY MACGREGOR, KATE MACGREGOR & ANNIE LUSH, RS X (WOMEN): BRYONY SHAW, RS X (MEN): NICK DEMPSEY, 49ER: STEVIE MORRISON & BEN RHODES, LASER RADIAL: ALISON YOUNG.

Potential to medal in every event

Britain won six medals at the 2008 Olympics in Beijing - four gold, a silver and a bronze, and Olympic sailing boss Stephen Park has set a goal of four medals from 2012, to include at least one gold.

"I can honestly say hand on heart that we've got people who've got potential to medal in every single event - we've never had that before.

"That doesn't mean to say that we'll medal in every event; far from it; but in terms of preparing a good team the sailors have done an incredible job to date."

British sailors are the most successful in Olympic history, having won 50 medals - including 25 golds - since sailing was introduced to the Olympics.

Team GB have "people with potential to medal in every single event".

The Paralympic team has also just been finalised with the announcement that Helena Lucas has won her place to race in the 2.4R, ahead of Megan Pascoe.

Such was the fierce competition between the two that the decision was delayed until the last moment.

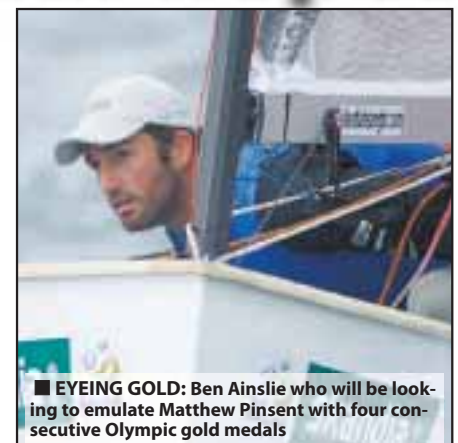

Lucas who is ranked third in the IFDS rankings, just behind Pascoe who is second, was seventh on her Paralympic debut in Beijing.

The Skud pair of Alexandra Rickham and Nikki Birrell are the current IFDS No1's by a long way, and will be looking to improve on their fifth place at Beijing.

The Sonar trio of John Robertson, Hannah Stodel and Steve Thomas are also top of the IFDS rankings, just ahead of the French team. They go into the Olympics as favourites although they only finished sixth in both Athens and Beijing.

◆ Paralympic line-up: 2.4mR: HELENA LUCAS, SKUD: ALEXANDRA RICKHAM & NIKI BIRRELL, SONAR: JOHN ROBERTSON, HANNAH STODEL & STEVE THOMAS.

All the team live on Portland are all have great prospects of winning medals. Don't discount a triple haul of gold!

Dorset through to last four

DORSET County cricket team will play Staffordshire on July 1st for a place in the final of the Minor Counties Trophy after they defeated Cheshire at Toft on Sunday.

Cheshire won the toss decided to bowl and soon had the visitors in trouble at 27-3.

However Darren Cowley steadied the ship with a fine half-century which included five 4s and two sixes until he was joined on 87-5 by skipper Tom Hicks.

Cowley departed on 112-6 but Hicks (28) and Chris Park (30) added 56 for the seventh wicket to post a total of 179-9 with Sydall (4-30) and Woods (3-24) the pick of the home bowlers.

Cheshire found themselves also on 27-3 thanks to wickets from Scott Barlow (2-21), Rupes Kitinger (2-21) and Ed Denham (2-20). However another Denham wicket and a run out from Aaron Williams saw the host's slump to 34-5.

Sawas (24) and Kirwin (21) forged a mini revival, but Cheshire couldn't stop Dorset, as Hicks (2-20) and Cowley (1-17) polished off the tail, dismissing Cheshire for 102 and a 77 run victory.

Rolls charged with alleged breaches of FA rules

FORMER Weymouth Football Club chairman George Rolls has been charged with over 3,000 alleged breaches of FA rules covering betting and misconduct.

Rolls, whose family handed over the reins of the club to a consortium led by current chairman Nigel Biddlecombe in February of this year, denies the charges, will appear before an independent regulatory commission on July 4th.

After leaving the Terras the Cambridge based businessman became acting chairman of Blue Square Premier side Kettering Town.

The offences involve FA Rule E8 (a) relating to betting which Rolls is alleged to have breached almost 1,000 times in season 2007/8, over 1,700 times in 2008/9 and almost 400 times in 2009/10. Rolls was involved in the day-to-day running of Weymouth Football Club from November 2009.

Current chairman Biddlecombe was quick to reassure fans that the charges are personal to Rolls and do not reflect in any way on the club.

In a statement posted on the club's website on Friday he said: "I have taken the opportunity to speak with the Football Association and have confirmed that the alleged charges presently being laid against Mr Rolls are personal to him and do not reflect on Weymouth FC.

"If proven any punishment will be meted out to Mr Rolls and will not affect our club.

"I hope this will dispel some of the fears that are being expressed on the subject."

The Directors of Weymouth Football Club Limited have announced that the Annual General Meeting of the club will take place at the Bob Lucas Stadium on Saturday, June 30th commencing at 12 noon, where the main business of the meeting will be the formal re-election of the interim Board, the adoption of accounts and the adoption of the resolution that the Articles of Association be changed to allow provisions pertaining to the Community Trust.

Youth football blooming

YOUTH football, both boys and girls, is on the increase and Dorset is no exception.

The Dorset County Youth Leagues include teams from Lyme Regis in the west to Bournemouth in the east and Shaftesbury in the north.

The boys leagues, under the auspices of the Dorset Youth Football League, were founded in May 2001 and was formerly known as the Dorset Divisional Youth League.

It consists of six age groups each set into three divisions, and is made up of 51 clubs.

For the 2011-2012 season there were 167 teams and approximately 2600 registered players.

The Dorset Youth Football League is sanctioned by Dorset County Football Association Limited.

There are a number of local sides playing in the six age groups, with Bridport Youth

by Stuart Broom

being the most successful last season, winning the U11 Division One title by a goal difference of just six goals from Blandford United Youth Fivers.

Their U12 side just missed winning Division One of their league, beaten a point by Wimborne Town for the title. Dorchester Town Raiders finished third and Weymouth fourth.

The U14 Division One was dominated by local clubs with Dorchester Town Gladiators winning the title and Lyme Regis Youth second, followed by Weymouth FC Terras, Bridport Youth and Dorchester Town Raiders.

The Lyme Regis youth team also lifted the league cup beating Weymouth 3-0 at the

Avenue stadium

Weymouth's Southside Angels dominated the Dorset County Girls U11 league, winning both the Winter and the Summer leagues; winning all twenty games.

Run from Dorset FA Headquarters, 21 teams compete in three age groups, U11, U13 and U15.

Weysports FC Girls were the other successful side competing last season, finishing second in the U15s.

The Dorset County FA also run a mini-soccer league for children aged 7-11. This is very well supported with 12 leagues.

AFC Chesil Vikings were champions of the U10 Division A, with Bridport Youth second and Dorchester Raiders third, whilst Chickereil United won Division B.

Weymouth FC Youth held off Weymouth Cougars by a point to take the U9 Division A title.

Magpies to host Seagulls

BRIGHTON & Hove Albion are one of four pre-season teams already pencilled in to visit The Avenue Stadium ahead of the new Blue Square South season.

The game on Friday, July 20th (ko 7.45pm) is part of the deal that saw Ben Dickenson move to the Amex Stadium in January.

Kettering Town are the first side due to visit the county town on Thursday, July 14th (ko 7.45pm), with the Magpies hosting Exeter City between these two matches on Tuesday, July 17th (ko 7.45pm).

Yeovil Town complete the list of home fixtures so far arranged when they visit on Tuesday, July 24th (ko 7.45pm).

Three away pre-season friendlies have also been arranged. The Magpies will travel to Westland Sports on July 25th, Budeford (28th) and will play Weymouth on Saturday, August 4th for the Bob Lucas Trophy.

Manager Phil Simpkin, refreshed from

his holidays, will welcome his players back for training on July 5th.

All of last year's squad that were out of contract have agreed new contracts and they will be joined by experienced 'keeper Jason Matthews who joined the club last month.

Two players missing will be midfielder Jamie Symes who is recovering after a heart scare in April from which he is currently recovering, and 'keeper Alan Harris-Walker who is making a good recovery following a broken leg sustained 12 weeks ago against Dartford.

He had the cast removed last week and is now starting rehabilitation under the watchful eye of Magpies physio Damion Maston.

Simpkin is expected to announce at least one new signing later this week.

He was reticent in giving any clues as to the details but told **VIEW SPORT**: "I am waiting for confirmation to release a statement, which I hope will be in the next couple of days."
